L'équipe Wim'

Originaire des **Hauts-de-France**, l'équipe a pour objectif **depuis 2017** de réaliser le **tour de France des villes en affiches** en passant par quelques **villes internationales** plébiscitées.

S'appuyant sur des **points de vue incontournables**, des **symboles forts** ou des **quartiers emblématiques** afin de **comprendre et représenter l'esprit d'une ville**, nos artistes ont développé jusqu'à maintenant, **une gamme de plus de 300 visuels**, et continuent leur tour de France!

L'équipe *Wim'* se fait un plaisir de vous faire voyager de Lille à Marseille en passant par Biarritz et **vous accompagne de ville en ville** à travers ses couleurs et sa lumière éclatante pour un périple qui ne fait que commencer...
